47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T is terrible in our building and LMI a small provider has had excellent service!

We want to keep using them!

The prices of AT&T are crazy and they charge us to use another company!

We need fast broadband at our place of business in order to keep our customers happy.

We need fast broadband at our place of business in order to keep our employees happy.

We have a competitive telephone service through LMI as well. Customer service is so much better with a smaller company too!
